TURKISH DELIGHT 23

Like the name sake. Vodka, crème de cacao, rose water, fairy floss.

WHAT MURAT'S DREAMS ARE MADE OF 23

It's the Turkish dream in a glass. We think it is the best way to meet Raki if you are a first-timer. If you aren't, well, you already know what you are getting yourself into. Raki, dry vermouth, peach vermouth, orgeat, lime, mint.

NEGRONI PESCA 23

The good old Negroni got a little bit more peachy. Gin, Campari, peach vermouth.

MARTINI 23

Dry or dirty? You tell me. Gin, vermouth, bitters.

OLD FASHIONED 23

Not sure who named it, but it surely never gets old. Bourbon, bitters, sugar.
